

**REMARKS**

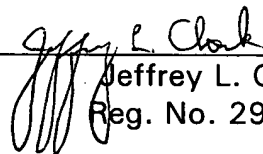

New claims 6-23 are presented herewith to clearly define various features of the invention over the prior art, including the cam/camming members as mounted on the lower ends of the upright frame member, and the material of the cam/camming members providing for smooth but reliable operation over a long useful life.

Claims 6-23 are submitted to be allowable over the prior art. Early notification to that effect is respectfully requested.

Respectfully submitted,

WOOD, PHILLIPS, KATZ,  
CLARK & MORTIMER
